## SNOQUALMIE VALLEY SCHOOL DISTRICT #410

Welcome to this meeting of your School Board. The information on this sheet is designed to help you understand how you may participate in the meeting.

A School Board meeting in the State of Washington is a public meeting. That definition, however, means that it must be held in public—not that the Board is required to have the public take part in the meeting. The Snoqualmie Valley Board, however, is anxious to have you participate in parts of the meeting and invites you to do so following a few simple rules of procedure.

If a topic on which you wish to speak is listed on the agenda for this meeting, please wait until that item is introduced by the Board President. Either stand or raise your hand so that you can be recognized by the chair, and once you have been recognized, you may speak. You are asked to state your name and any organization you represent if you are speaking on behalf of a group. While it is not required by Board policy, it is appreciated by the Board if you state in which Valley community you reside.

You will note that there is time for “Public Comment” on the Board Meeting Agenda. If the subject about which you wish to speak is not on the agenda for tonight, you should seek recognition from the Board President when public participation is announced. You should always state your name before speaking. While many attendees at Board Meetings are well known to Directors, please remember that all meetings are recorded and that names are needed when the tape is referred to at a later time.

Board policy clearly provides that the Board will not take final action on a topic introduced from the floor. All such items are referred to District staff for study and recommendation. While occasionally minor items are raised and disposed of, it is not something that you should expect will occur.

If your comment to the Board is in the nature of a complaint about a District employee or agent and that person would be personally identifiable, Board policy requires that such complaint be submitted to a District official and oral comments at the meeting will not be allowed. The District has an obligation to protect certain privacy rights of its employees and it is also eager to protect you from any exposure to legal liability. The names of our students are never used at public Board Meetings unless some award, honor, or achievement is involved.

In addition to the regular meeting which you are attending tonight, the Board has two other types of meetings. They are Work Sessions, during which matters may be studied and discussed but no votes are taken, and Executive Sessions. Work Sessions are open to the public as observers, but there is no provision for public participation. Executive Sessions are meetings during which the public may not be present. The subjects considered in Executive Sessions are rigidly controlled by law.

Thank you for coming tonight. We hope your purposes in attending will be achieved.

Marci Busby, President  
Kathryn Lerner, Vice-President  
Caroline Loudenback  
Rudy Edwards  
Dan Popp
