

Star of the Week Schedule 2018-2019

I will send home your child's Star of the Week poster with them on the FRIDAY before they are to be Star of the Week. You will help them complete the poster with either drawings or photographs and then send it back to school with them on Monday.

Please also allow your child to choose ONE special item that they will leave here in our classroom all week, and then share with us when they present their poster on Friday.

You are welcome to come and watch your child present their poster! ☺ Please just send me an email to let me know that you'd like to come and I will respond with the day and time. Thank you!

November 5-9: Seif
