

Local Scholarship / Going Merry Lesson

The Local Scholarship Program at Mount Si has a long history of local clubs, businesses and individuals donating funds and supporting our senior class. The best thing about local scholarships is that you are only competing with your MSHS peers!

A variety of scholarships are available to students who are planning to further their education by attending a vocational/technical school, a two-year college, or a four-year college. There is over \$55,000 available in the MSHS program for students with strengths in community service, clubs, sports, etcetera!
