

Scheduling Model: 4 x 4 Alternating at Semester

11

- Maintain the length of current school day
- Classes shortened on Fridays
- Students take four approx. 85-minute block classes each and earn 4 credits per semester
 - 1 credit = ~130 hours
- Students take four different ~85-minute classes in the second semester
- Total of 8 credits earned in one year
- Available slots/credits over 4 years = 32 slots/credits
- Need to increase Graduation Requirements

Mon	Tues	Wed	Thurs	Fri
