## **REQUIREMENTS TO COMPLETE DIRECTED ATHLETICS PE CREDIT WAIVER REQUEST FOR INVOLVEMENT IN SCHOOL SPORTS**

In accordance with Snoqualmie Valley School District Policy 2410 (Graduation Requirements), students may receive a maximum of 0.5 credit toward the PE/Fitness credit requirement for participation in two seasons of WIAA athletics, cheer, or dance upon meeting all the following requirements:

- Participation must be two full seasons of district approved sport, cheer, or dance.
- Student must have successfully completed 1.0 credit of Physical Education/Fitness prior to requesting credit for participation in directed athletics.
- The coach of the sport or cheer team will determine whether the student athlete participated in two full sports seasons. Full season participation is defined as attending at least 80% of practices and/or competitions.
- If Fit for Life was not completed during their 9th grade year, the student must register for an assessment that demonstrates proficiency in the knowledge portion of the fitness requirement. Students who fail to meet proficiency may retake the assessment.

### **PROCESS FOR SUBMISSION:**

1. Student informs the Coach of the sport at the beginning of the season that they are interested in earning directed athletics (physical education) credit for participation in sports or cheer.
2. At the end of the second sports season the student requests that the Coach verify they have met the requirements above and signs the completed request form (2410P-Exhibit E1). The Coach should refuse to sign the request if the student has not met the requirements.
3. The student provides the Athletic Director with the completed request form to confirm that all requirements have been met. The Athletic Director should refuse to sign the request if the student has not met the requirements. The Athletic Director will provide signed request to the Registrar.
4. If needed, the Registrar will assign the CBA to the student's Schoology. The student takes and meets proficiency on the assessment that measures the knowledge portion of the fitness requirement.
5. The registrar confirms successful completion of the CBA. The credit is posted to the student's transcript.
