

Name: _____

Date: _____

Grades 2-5 Think Time

At North Bend Elementary School, we treat mistakes as learning opportunities. Today your child had a conversation with a staff member about the unexpected behavior described below. Your child was able to reflect on the situation and identify next steps. This Think Sheet is also a tool to support conversation between you and your child about the situation. Please sign and have your child return this form to their classroom teacher tomorrow, acknowledging your discussion.

Stop and Think

How do I feel?

What unexpected behavior did I display? I was not...

Safe

Respectful

Responsible

What happened?

Reflect

What could I have done differently?

Student-Adult Debrief

Now I will be:

Safe

Respectful

Responsible

by...
