Students enrolling at Two Rivers School must agree to good attendance, making appropriate academic progress, and acting respectfully towards all students and staff.

Two Rivers School enrolls new students at the start of each quarter. Applications must be complete to be considered. Once your application has been reviewed and approved, and if there is space available in your grade level, we may schedule an interview with the Two Rivers principal and/or counselor.

If there are more qualified applicants than available spaces, students will be chosen at random.

If your application is approved, you will need to attend mandatory orientation sessions Wednesday through Friday, August 29-31, 2018. You will be given an appointment slot on September 4th where you will register for classes, and start full day classes on September 5th.

If you have questions about this application process or if you would like to know more about Two Rivers School, please contact Maria Kritsonis at 425-831-4200 or kritsonism@svsd410.org
