Dear Volunteer,

Welcome to Cascade View Elementary School of which we are looking forward to another exciting year of learning and growth!

As a Volunteer, the staff and I sincerely value your support and willingness to serve in partnership with our students and staff. Volunteer service is a vital part of Cascade View Elementary School, our community and academic programs. Whether working in the classroom, library, office, technology center, as a committee member, or take-home projects, your contributions are truly cherished.

We are proud of the quality educational programs we provided for our CVES students. We have truly come to "bank-on" the support of our volunteers to help us sustain excellence.

We are honored to have you serve our students and staff as a volunteer. Together we will continue to embrace and build a better and brighter future for our children.

Sincerely,

*Ray Wilson*

Principal, Cascade View Elementary School
