

Do you need financial assistance? Washington State legislature passed House Bill 1660 with the goal to eliminate costs and barriers to student participation in extracurricular activities. Your student may qualify for assistance if they meet the following identifiers;

- College Bound Scholarship Program
- Eligible for free or reduced-price meals through the National School Lunch and School Breakfast Program (qualify via Direct Certification or Application for Free and Reduced-Price Meals).
- Family income survey

If you meet any of these requirements, please complete the attached Parental Release Form and turn into your students' school financial office.

Qualifying applicants must complete the release form to give parent consent prior to receiving assistance. Families will begin receiving assistance for approved student fees at time of submission. We are unable to provide refunds for purchases prior to parent consent.
