NOTICE

Benefits paid under the Accelerated Benefits provision will reduce the Death Benefit payable for life insurance.

Benefits payable under the Accelerated Benefits provision may be taxable. If so, the Employee or the Employee's beneficiary may incur a tax obligation. As with all tax matters, an Employee should consult with a personal tax advisor to assess the impact of this benefit. Accelerated Benefits are not payable if life insurance coverage under the Policy is not in force.

Any accidental death benefits that you may have under the policy will not be affected by the acceleration of life insurance benefits.

WHO IS ELIGIBLE

Classes of Eligible Persons

A person may be insured only once under the Policy as an Employee, even though he or she may be eligible under more than one class.

Employee

If you qualify under the Class Definition shown in the Schedule of Benefits, you are eligible to be insured under the Policy on the Policy Effective Date, or the day after you complete the applicable Eligibility Waiting Period, if later. The Eligibility Waiting Period will not apply if you are in Active Service on the Policy Effective Date and you satisfied the Eligibility Waiting Period, if any, of the Prior Plan. Credit will be given for any time you satisfied.

If you have previously converted your insurance under the Policy, you will not become eligible until your converted policy is surrendered. This does not apply to any amount of insurance that was previously converted under the Policy due to a reduction in your Life Insurance Benefits based on age or a change in class unless those conditions no longer affect the amount of insurance available to you.

Except as noted in the Reinstatement Provision, if you terminate coverage and later wish to reapply, or if you are a former Employee who is rehired, a new Eligibility Waiting Period must be satisfied. You are not required to satisfy a new Eligibility Waiting Period, if insurance ends because you are no longer in a Class of Eligible Employees, but continue to be employed by the Employer, and within one year you become a member of an eligible class.

TL-004710

WHEN COVERAGE BEGINS

You will be insured for an amount not to exceed the Guaranteed Issue Amount on the date you become eligible, if you are not required to contribute to the cost of this insurance.

If you are not in Active Service on the date insurance would otherwise go into effect, it will be effective on the date you return to Active Service.

TL-004712

Takeover Provision

Special Terms Applicable to Previously Insured Employees Not in Active Service

If you are not in Active Service on the Policy Effective Date, you are not covered under the Policy.

However, We agree to provide a death benefit equal to the lesser of:

1. the amount due under this Policy (without regard to the Active Service provision), or
2. the amount that would have been due under the Prior Plan had it remained in force.

The benefit amount will be reduced by any amount paid by the Prior Plan, or that would have been paid had this Policy not been issued and had timely filing of the claim been made under the Prior Plan.

These special terms will end on the earliest of the following dates:

1. the date you meet the Active Service requirements;
2. the date insurance terminates for one of the reasons stated in the When Coverage Ends provision;
3. 12 months after the Policy Effective Date; or
4. the last day you would have been covered under the Prior Plan if that plan was still in force.

TL-009020

WHEN COVERAGE ENDS

Coverage will end on the earliest of the following dates:

1. the date you are eligible for coverage under a plan intended to replace this coverage;
2. the date we terminate the Policy;
3. the date you are no longer in an eligible class;
4. the date coinciding with the end of the last period for which required premiums are paid;
5. the date you are no longer in Active Service; and
6. for an Employee, the date the Employer cancels participation under the Policy; and
7. the date coverage for you ends, your Spouse and Dependent Children.
8. if employment ends between the 1st and 15th of the month, insurance ends on the last day of that month.
9. if employment ends between the 15th and the end of the month, insurance ends one month after the end of that month.

TL-004714

WHEN COVERAGE CONTINUES

Continuation for Layoff, Temporary Leave of Absence, Family Medical Leave or Sick Leave

If you are an Employee and your Active Service ends due to a layoff, an Employer approved unpaid leave of absence, family medical leave or sick leave, your insurance will continue if the required premium is paid.

In these circumstances, your insurance may continue as follows.

1. For layoff, up to 6 months.
2. For an Employer approved unpaid leave of absence, coverage will continue for as long as you receive a paycheck. Coverage terminates once the leave becomes an unpaid leave.
3. For injury or sickness, up to 12 months.
4. For an Employer approved family medical leave, up to 12 weeks.

Continuation of Life Coverage During Labor Disputes

If your Active Service ends because of a Labor Dispute and your premium for Life Insurance Benefits under the Policy is paid either by the Employer, in whole or in part, or by you through payroll deductions, then you may continue your Life Insurance Benefits. The Employer will send you written notice of the right to continue coverage at your most recent address as on file with the Employer.

To continue coverage, you must pay premiums directly to the Employer, who will remit the premiums to us. Premiums must be paid by the date they are due, subject to the 31 day grace period. Policy coverages and premiums will stay the same during a Labor Dispute; however, we may make normal changes in premium rates when the Policy is renewed, under the terms set forth in the Policy.

Coverage continued in this manner will end on the earliest of the following dates.

1. The date the Labor Dispute has ended.
2. The date coverage has been continued for 6 months.

If the Labor Dispute continues beyond 6 months, you may apply for an individual insurance policy, as set forth in detail under "Conversion Privilege for Life Insurance."

"Labor Dispute," as used here, means a strike, lockout, or other labor dispute between the Employer and its Employees, during which time the Employee is not paid by the Employer.

Continuation for Disability for Employees over Age 60

If you become Disabled and are age 60 or over, the Life Insurance Benefits shown in the Schedule of Benefits will be continued, provided premiums are paid, until the earlier of the following dates:

1. The date you are no longer Disabled.
2. The date you are Disabled for 12 consecutive months.
3. The date coinciding with the end of the last period for which premiums are paid.
4. The date the Policy is terminated by us.

Amount of Insurance

If you die while you are Disabled and coverage is continued under this provision, we will pay a Death Benefit equal to the amount in effect on the date you became Disabled. However, the Life Insurance Benefit will be subject to the provisions of the Policy that reduce the coverage amount because of age, retirement, payment of an Accelerated Benefit or a change in class. Automatic increases in Life Insurance Benefits will end while coverage is continued under this provision. We will pay benefits only if due proof of your continuous Disability is received within one year of the date of the loss.

“Disability”/”Disabled” means because of Injury or Sickness you are unable to perform all the material duties of your Regular Occupation; or are receiving disability benefits under the Employer’s plan.

“Regular Occupation” means the occupation you routinely perform at the time the Disability begins. We will consider the duties of the occupation as it is normally performed in the general labor market in the national economy.

Waiver of Premium

If you are an Employee under age 60 and your Active Service ends due to Disability, Life Insurance Benefits will continue for you until the earliest of the following dates.

1. The date you are no longer Disabled.
2. The day after the end of the period for which required premiums are paid.
3. The date you no longer qualify for Waiver of Premium.
4. To Age 65; if you become disabled on or after your 60th birthday but before age 65, coverage may continue for up to one year.

If you die while premiums are waived, we will pay a Death Benefit only if due proof of continuous Disability is received within one year of your death.

In order to qualify for Waiver of Premium, you must submit due proof that you have been Disabled for 6 months. Such proof must be submitted to us no later than 12 months from the date your Active Service ends. Premiums will be waived from the date the Insurance Company agrees in writing to waive your premiums. After premiums have been waived for 12 months, they will be waived for future periods of 12 months if you remain Disabled and submit due proof that your Disability continues. Satisfactory proof must be submitted to us 3 months before the end of the 12 month period.

The Death Benefit will be equal to the Life Insurance Benefit in effect on the date you became Disabled. However, this benefit will be subject to the provisions of the Policy that reduce or terminate coverage because of age, retirement, acceleration or a change in eligible class. Automatic increases in Life Insurance Benefits will end while premiums are waived.

Termination of Waiver

Your insurance will end on the earliest of the following dates.

1. The date you are no longer Disabled.
2. The date you refuse to submit to any physical examination required by us.
3. The last day of the 12 month period of Disability during which you fail to submit satisfactory proof of your continued Disability.
4. To Age 65.

WHAT IS COVERED

LIFE INSURANCE BENEFITS

Death Benefit

If an Insured dies, we will pay the Life Insurance Benefit in force for that Insured on the date of his or her death.

TL-004730

Accelerated Benefits

Any benefits payable under this Accelerated Benefits provision will reduce the Death Benefit payable for Life Insurance. Any automatic increases in Life Insurance Benefits will end when benefits are payable under this provision.

Terminal Illness Benefit

We will pay a Terminal Illness Benefit if we determine you are Terminally Ill. The amount of this benefit is 50% of the Life Insurance Benefit in effect for you on the date we determine you are Terminally Ill up to the Maximum Benefit Amount shown in your Schedule of Benefits for this option. The Terminal Illness Benefit is payable only once in an Insured's lifetime.

Determination of Terminal Illness

For the purpose of determining the existence of a Terminal Illness, we will require you to submit the following proof.

1. A written diagnosis and prognosis by two Physicians licensed to practice in the United States.
2. Supportive evidence satisfactory to us, including but not limited to radiological, histological or laboratory reports documenting the Terminal Illness.

We may require, at our expense, you to be examined and a review of the documented evidence by a Physician of our choice. In the event the Physician representing us disputes the existence of a Terminal Illness, as defined below, and the dispute cannot be resolved, you have the right to mediation and binding arbitration in accordance with WAC 284-23-730.

"Terminal Illness" means a person is diagnosed by a Physician to have a prognosis of 24 months or less to live.

TL-004748 (WA)

Conversion Privilege for Life Insurance

If coverage ends for any reason except non-payment of premium, any Insured may apply for a conversion policy of life insurance.

The conversion insurance may be a type of life insurance currently being offered for conversion by us at your age and in the amount requested. It may not be term insurance and it may not be for an amount greater than the Life Insurance Benefits in force under the Policy. Conversion life insurance will not provide accident, disability or other benefits.

However, if coverage ends because the Policy is terminated or amended to terminate any class of Insureds, or the Employer cancels participation under the Policy, coverage cannot be converted unless you have been insured under the Policy for at least 3 years. In this case, the amount of conversion insurance will be the lesser of Life Insurance Benefit in force under the Policy or \$10,000.

To apply for conversion insurance, you must submit an application to us and pay the required premium within 31 days after coverage under the Policy ends. Evidence of insurability is not required. Premium

for the conversion insurance will be based on your age and class of risk and the type and amount of coverage issued.

Conversion insurance will become effective on the 31st day after the date coverage under the Policy ends, if your application is received by us and the required premium is paid on that date.

If you die during the 31 day conversion period, the Death Benefit will be paid under the Policy regardless of whether you applied for conversion insurance. If a conversion policy is issued, it will be in exchange for any benefits payable for that type and amount of insurance under the Policy.

Extension of Conversion Period

If you are eligible for conversion insurance and are not notified of this right at least 15 days prior to the end of the 31 day conversion period, the conversion period will be extended. You will have 15 days from the date notice is given to apply for conversion insurance. In no event will the conversion period be extended beyond 90 days. Notice, for the purpose of this section, means written notice presented to you by your Employer or mailed to your last known address as reported by your Employer.

If you die during the extended conversion period, but more than 31 days after your coverage under the Policy terminates, Life Insurance Benefits will not be paid under the Policy. If your application for conversion insurance is received by us and the required premium is paid, Life Insurance Benefits will be payable under the conversion insurance.

Prior Conversion Limitation

If you are covered under a life insurance conversion policy previously issued by us under the Policy, you will not be eligible to exercise this Conversion Privilege unless the prior coverage has ended. This does not apply to any amount of insurance that was previously converted under the Policy due to a reduction in your Life Insurance Benefits based on age or a change in class.

CLAIM PROVISIONS

Notice of Claim

Written notice of claim, or notice by any other electronic/telephonic means authorized by us, must be given to us within 31 days after a covered loss occurs or begins or as soon as reasonably possible. If written notice, or notice by any other electronic/telephonic means authorized by us, is not given in that time, the claim will not be invalidated or reduced if it is shown that notice was given as soon as was reasonably possible. Notice can be given at our home office in Philadelphia, Pennsylvania or to our agent. Notice should include the Employer's name, the Policy Number and the claimant's name and address.

Written notice, or any other electronic/telephonic means authorized by us, of a diagnosis of a Terminal Illness on which claim is based must be given to us within 60 days after the diagnosis. If notice is not given in that time, the claim will not be invalidated or reduced if it is shown that written notice, or any other electronic/telephonic means authorized by us, was given as soon as reasonably possible.

Claim Forms

When we receive notice of claim, we will send claim forms for filing proof of loss. If we do not send claim forms within 15 days after notice is received by us, the proof requirements will be met by submitting, within the time required under the "Proof of Loss" section, written proof, or proof by any other electronic/telephonic means authorized by us, of the nature and extent of the loss.

Claimant Cooperation Provision

If you fail to cooperate with us in our administration of your claim, we may terminate the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Insurance Data

The Employer is required to cooperate with us in the review of claims and applications for coverage. Any information we provide to the Employer in these areas is confidential and may not be used or released by the Employer if not permitted by applicable privacy laws.

Proof of Loss

You must provide written proof of loss to us, or proof by any other electronic/telephonic means authorized by us, within 90 days after the date of the loss for which a claim is made. If written proof of loss, or proof by any other electronic/telephonic means authorized by us, is not given in that 90 day period, the claim will not be invalidated nor reduced if it is shown that it was given as soon as was reasonably possible. In any case, written proof of loss, or proof by any other electronic/telephonic means authorized by us, must be given not more than one year after the 90 day period. If written proof of loss, or proof by any other electronic/telephonic means authorized by us, is provided outside of these time limits, the claim will be denied. These time limits will not apply due to lack of legal capacity.

Written proof, or any other electronic/telephonic means authorized by us, of loss for Accelerated Benefits must be furnished 90 days after the date of diagnosis. This proof must describe the occurrence, character and diagnosis for which claim is made.

In case of claim for any other loss, proof must be furnished within 90 days after the date of such loss.

If it is not reasonably possible to submit proof of loss within these time periods, we will not deny or reduce any claim if proof is furnished as soon as reasonably possible. Proof must, in any case, be furnished not more than a year later, except for lack of legal capacity.

Time of Payment

Benefits due under the Policy for a loss, other than a loss for which the Policy provides installment payments, will be paid immediately upon receipt of due written proof of such loss.

Subject to the receipt of satisfactory written proof of loss, all accrued benefits for loss for which the Policy provides installment payments will be paid monthly; any balance remaining unpaid upon the termination of liability will be paid immediately upon receipt of due written proof, unless otherwise stated in the Description of Benefits.

Manner of Payment of Claims

The Policyholder authorizes that any benefit payment due as a lump sum of \$5,000.00 or more shall be credited to a draft account with the Insurance Company, in the name of the beneficiary. The beneficiary may withdraw the entire proceeds at any time by issuing one or more drafts, or may withdraw lesser amounts, subject to a minimum account balance set by the Insurance Company from time to time. Interest shall be credited to such account at rates as determined from time to time by the Insurance Company.

To Whom Payable

Death Benefits will be paid to the Insured's named beneficiary, if any, on file at the time of payment or to the certificate owner if alive. If there is no named beneficiary or surviving beneficiary, Death Benefits will be paid to the first surviving class of the following living relatives: spouse; child or children; mother or father; brothers or sisters; or to the executors or administrators of the Insured's estate. We may reduce the amount payable by any indebtedness due.

All benefits payable under the Accelerated Benefits section are payable to the Insured, if living. If the Insured dies prior to the payment of an eligible claim for an Accelerated Benefit, benefits will be paid in accordance with the provisions applicable to the payment of Life Insurance proceeds, unless the Insured has directed us otherwise in writing. However, any payment made by us prior to notice of the Insured's death shall discharge us of any benefit that was paid.

All other benefits unless otherwise stated in the Policy, will be payable to the Insured or the certificate owner if other than the Insured.

Any other accrued benefits which are unpaid at your death will, at our option, be paid either to your beneficiary or to the executor or administrator of your estate.

If we pay benefits to the executor or administrator of your estate or to a person who is incapable of giving a valid release, we may pay up to \$1,000 to a relative by blood or marriage whom we believe is equitably entitled. This good faith payment satisfies our legal duty to the extent of that payment.

Change of Beneficiary

You may change your beneficiary at any time by giving written notice to the Employer or to us. The beneficiary's consent is not required for this or any other change which you may make unless your designation of beneficiary is irrevocable.

No change in beneficiary will take effect until the form is received by the Employer or us. When this form is received, it will take effect as of the date of the form. If you die before the form is received, we will not be liable for any payment that was made before receipt of the form.

Physical Examination and Autopsy

We may, at our expense, exercise the right to examine any person for whom a claim is pending as often as we may reasonably require. Also, we may, at our expense, require an autopsy unless prohibited by law.

Legal Actions

No action at law or in equity may be brought to recover benefits under the Policy less than 60 days after written proof of loss, or proof by any other electronic/telephonic means authorized by us, has been furnished as required by the Policy. No such action shall be brought more than 3 years after the time satisfactory proof of loss is required to be furnished.

Time Limitations

If any time limit stated in the Policy for giving notice of claim or proof of loss, or for bringing any action at law or in equity, is less than that permitted by the law of the state in which you live when the Policy is issued, then the time limit provided in the Policy is extended to agree with the minimum permitted by the law of that state.

Physician/Patient Relationship

You have the right to choose any Physician who is practicing legally. We will in no way disturb the Physician/patient relationship.

TL-004724

ADMINISTRATIVE PROVISIONS**Premiums**

The premiums for this Policy will be based on the rates currently in force, the plan and the amount of insurance in effect.

If an Insured's coverage amount is reduced due to acceleration of a Death Benefit, premium will be based on the amount of coverage in force on the day before the reduction took place. If the Insured's coverage amount is reduced due to his or her attained age, premium will be based on the amount of coverage in force on the day after the reduction took place.

Draft Accounts

The Insurance Company shall be entitled to retain, as part of its compensation, any earnings on draft accounts created in connection with benefit claims, in excess of interest credited under the terms of the policy.

Reinstatement of Insurance

Your coverage may be reinstated without satisfying the Insurability Requirement, if your insurance ends because you are on an unpaid leave of absence and you apply for Reinstatement within 31 days of your return to Active Service.

When your return to Active Service occurs within one year of his or her termination and termination was for any reason not applicable under the Family and Medical Leave Act, insurance coverage becomes effective upon the date of return to Active Service. Evidence of Insurability is not required.

When your return to Active Service occurs within 90 days of his or her becoming an inactive Employee for any reason applicable under the Family and Medical Leave Act, insurance coverage becomes effective upon the date of return to Active Service. Evidence of Insurability is not required.

After your insurance ends, it may be reinstated at any date prior to five years after the date of termination if the following conditions are met.

1. The Policy is still in force.
2. You are eligible under the Policy.
3. You send us a written request for reinstatement and a new enrollment form.
4. The required premium is paid.
5. The Insurability Requirement, if applicable, is satisfied.

TL-004722

GENERAL PROVISIONS

Incontestability

All statements made by the Employer or by an Insured are representations not warranties. No statement will be used to deny or reduce benefits or as a defense to a claim, unless a copy of the instrument containing the statement has been furnished to the claimant. In the event of death or legal incapacity, the beneficiary or representative must receive the copy.

After two years from an Insured's effective date of insurance, or from the effective date of any added or increased benefits, no such statement will cause insurance to be contested.

Misstatement of Age

If an Insured's age has been misstated, we will adjust all benefits to the amounts that would have been purchased for the correct age.

Workers' Compensation Insurance

The Policy is not in lieu of and does not affect any requirements for insurance under any Workers' Compensation Insurance Law.

Assignment of Benefits

We will not be affected by the assignment of your certificate until the original assignment or a certified copy of the assignment is filed with us. We will not be responsible for the validity or sufficiency of an assignment. An assignment of benefits will operate so long as the assignment remains in force provided insurance under the Policy is in effect. This insurance may not be levied on, attached, garnisheed, or otherwise taken for a person's debts. This prohibition does not apply where contrary to law.

Clerical Error

A person's insurance will not be affected by error or delay in keeping records of insurance under the Policy. If such an error is found, the premium will be adjusted fairly.

WHAT YOU SHOULD DO AND EXPECT IF YOU HAVE A CLAIM

When you are eligible to receive benefits under the Plan, you must request a claim form or obtain instructions for submitting your claim telephonically or electronically, from the Plan Administrator. All claims you submit must be on the claim form or in the electronic or telephonic format provided by the Insurance Company. You must complete your claim according to directions provided by the Insurance Company. If these forms or instructions are not available, you must provide a written statement of proof of loss. After you have completed the claim form or written statement, you must submit it to the Plan Administrator.

The Plan Administrator has appointed the Insurance Company as the named fiduciary for adjudicating claims for benefits under the Plan, and for deciding any appeals of denied claims. The Insurance Company shall have the authority, in its discretion, to interpret the terms of the Plan, to decide questions of eligibility for coverage or benefits under the Plan, and to make any related findings of fact. All decisions made by the Insurance Company shall be final and binding on Participants and Beneficiaries to the full extent permitted by law.

The Insurance Company has 45 days from the date it receives your claim for disability benefits, or 90 days from the date it receives a claim for any other benefit, to determine whether or not benefits are payable to you in accordance with the terms and provisions of the Policy. The Insurance Company may require more time to review your claim if necessary due to circumstances beyond its control. If this should happen, the Insurance Company must notify you in writing that its review period has been extended for up to two additional periods of 30 days (in the case of a claim for disability benefits), or one additional period of 90 days (in the case of any other benefit). If this extension is made because you must furnish additional information, these extension periods will begin when the additional information is received. You have up to 45 days to furnish the requested information.

During the review period, the Insurance Company may require a medical examination of the Insured, at its own expense; or additional information regarding the claim. If a medical examination is required, the Insurance Company will notify you of the date and time of the examination and the physician's name and location. It is important that you keep any appointments made since rescheduling examinations will delay the claim process. If additional information is required, the Insurance Company must notify you, in writing, stating the information needed and explaining why it is needed.

If your claim is approved, you will receive the appropriate benefit from the Insurance Company.

If your claim is denied, in whole or in part, you must receive a written notice from the Insurance Company within the review period. The Insurance Company's written notice must include the following information:

1. The specific reason(s) the claim was denied.
2. Specific reference to the Policy provision(s) on which the denial was based.
3. Any additional information required for your claim to be reconsidered, and the reason this information is necessary.
4. In the case of any claim for a disability benefit, identification of any internal rule, guideline or protocol relied on in making the claim decision, and an explanation of any medically-related exclusion or limitation involved in the decision.
5. A statement informing you of your right to appeal the decision, and an explanation of the appeal procedure, including a statement of your right to bring a civil action under Section 502(a) of ERISA if your appeal is denied.

Appeal Procedure for Denied Claims

Whenever a claim is denied, you have the right to appeal the decision. You (or your duly authorized representative) must make a written request for appeal to the Insurance Company within 60 days (180 days in the case of any claim for disability benefits) from the date you receive the denial. If you do not make this request within that time, you will have waived your right to appeal.

Once your request has been received by the Insurance Company, a prompt and complete review of your claim must take place. This review will give no deference to the original claim decision, and will not be made by the person who made the initial claim decision. During the review, you (or your duly authorized representative) have the right to review any documents that have a bearing on the claim, including the documents which establish and control the Plan. Any medical or vocational experts consulted by the Insurance Company will be identified. You may also submit issues and comments that you feel might affect the outcome of the review.

The Insurance Company has 60 days from the date it receives your request to review your claim and notify you of its decision (45 days, in the case of any claim for disability benefits). Under special circumstances, the Insurance Company may require more time to review your claim. If this should happen, the Insurance Company must notify you, in writing, that its review period has been extended for an additional 60 days (45 days in the case of any claim for disability benefits). Once its review is complete, the Insurance Company must notify you, in writing, of the results of the review and indicate the Plan provisions upon which it based its decision.

YOUR RIGHTS AS SET FORTH BY ERISA

As a participant in Snoqualmie Valley School District #410's Insurance Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefit Security Administration.

Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.

Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefit Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefit Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefit Security Administration.
