MSHS Music Piano

will be received by the undersigned until:

TUESDAY, JANUARY 26, 2021 @ 2:00PM

at which time they will be opened and read aloud.

Scope of Work:

This specification covers the requirements of the supply of one (1) Yamaha Grand C7X piano to Snoqualmie Valley School District [District] with an associated dolly. The grand piano will be used in the new 700 seat auditorium that is under construction at Mount Si High School. The technical requirements given here are only indicative and not descriptive and the supplier shall ensure that the equipment supplied are complete in all respects to serve the purpose. The District reserves the right to reject proposals which are incomplete; and has the right to waive informalities. The District will review any substitutions and/or alternatives but has the right to reject and/or accept.

Equipment:

The equipment shall be new and unused. Equipment should be made from standard materials that meet or exceed all requirements. All technical requirements listed below are as listed as a minimum and/or equal. Vendors are to provide detailed specifications of the equipment proposed. Cost proposals should include WA State Sales Tax.

Equipment must also include delivery to Mount Si High School. This includes, unpacking and inspecting each instrument, play testing instruments, readjusting as required, assembling any instruments as required, and the disposal of packaging materials.
