For more details, go to veba.org and click the **My Care Card Info** button.

Make sure we have your current email and mailing addresses. Log in at veba.org and click **My Profile** on the menu bar, or contact the customer care center at 1-888-828-4953.

My Care CardSM

Pay for qualified medical care items and services directly from your HRA account.

You can request a My Care Card:

1. On your Enrollment form;
2. Online after logging in to your account; or
3. By calling 1-888-828-4953.

We are pleased to make our new **My Care Card** option available to you. You can swipe your **My Care Card** as you would a traditional credit or debit card to pay for qualified medical care items and services directly from your health reimbursement arrangement (HRA) account. Keep in mind that you may still be required to submit supporting documentation for certain purchases, per IRS rules. Your **My Care Card** is accepted by most doctor's offices, pharmacies, laboratories, dental and vision providers, and hospitals.

If elected, a **My Care Card** will be mailed to you when you have: (1) a claims-eligible account balance of \$50 or more; (2) a valid U.S. mailing address on file; and (3) a valid email address on file.

- **My Care Card** activation and usage is optional; you do not have to activate and use your card
- 90% of your daily HRA account balance (up to a maximum of \$3,000 per day) is available for **My Care Card** purchases
- You will be notified via email if your **My Care Card** purchase requires supporting documentation
- A \$1 per month fee will be deducted from your HRA account upon card activation
- You can request additional cards for your spouse and dependents; a one-time charge of \$1 for each additional card will be deducted from your HRA account; no extra monthly fee will be charged
