Elementary School Request for School Choice 2015-16 School Year

NOTE: "School Choice" is offered to students attending a school not meeting Adequate Yearly Progress (AYP) and is identified in a step of improvement. "School Choice" is defined by the No Child Left Behind (NCLB) federal legislation.

- A student in a school in a step of improvement can choose to attend a school that is not in a step of improvement. **Cascade View Elementary, Fall City Elementary and Snoqualmie Elementary are the only elementary "choice" options for the 2015-16 school year.**
- The request for School Choice is **not a guarantee** of changing schools. The district has a limited amount of Title I dollars set aside to pay for transportation costs for School Choice. If many students request School Choice, first preference will go to students meeting Free/Reduced Lunch criteria.
- School Choice is for **one year only**.
