Our Vision: To become the best school district in Washington State by any measure.

Our Mission: Educate all Snoqualmie Valley children to prepare them for college, career, and citizenship.

Our Focus: In partnership with families and our community, the Snoqualmie Valley School District (SVD) provides comprehensive high-quality educational opportunities, academic rigor and student support services in a positive and safe school environment. Student achievement is our top priority and our commitment to continuous improvement is unwavering—to ensure all students are college- and career-ready when they graduate. In recent years, student assessment scores and the number of students choosing more rigorous academic courses have trended upward in our growing district. And, more career exploration opportunities have been added to ensure every student is prepared for the future they choose.

Our Schools:
- 6 Elementary Schools (P-5): Cascade View, Fall City, North Bend, Opstad, Snoqualmie, Timber Ridge
- 3 Middle Schools (6-8): Chief Kanim, Snoqualmie, Twin Falls
- 1 Comprehensive High School (9-12): Mount Si High School
- 1 Alternative High School (9-12): Two Rivers (a Big Picture school)
- 1 Mount Si Online Learning Program (9-12)
- 1 Parent Partnership Program (K-10), for families who prefer to school their children at home

Our Students: Our district currently serves approximately 7,200 students ages preschool through grade 12, and special needs students through 21 years of age. Enrollment has grown 31% over the past 10 years.

Our Reach: The school district spans more than 400 square miles, making it one of the largest geographically in Washington State. Snoqualmie Valley schools serve the communities of Fall City, North Bend, Snoqualmie and surrounding areas of unincorporated King County reaching east to the summit of Snoqualmie Pass.

Our Awards:
- US News & World Report named Mount Si High School on its 2019 Best High Schools lists and has awarded silver medals to the school for the past six years, based on reading, math and college readiness data.
- Snoqualmie Valley School District received the “2018 Best Communities for Music Education” award from the National Association of Music Merchants Foundation for outstanding music education.
- Newsweek’s 2016 America’s Top High Schools list ranked Mount Si High School among the best 500 public high schools in the nation for preparing students for college.
- Snoqualmie Valley was the only school district in the state (and one of five in the nation) on the National College Board AP Honor Roll six consecutive years (2010-2015). This honor recognizes increased student participation in college-level courses and increased performance on Advanced Placement (AP) exams.
- The national website (www.schooldigger.com) ranked Snoqualmie Valley School District 8th in Washington State, out of 245 school districts reviewed, based on 2018-19 reading and math test scores.
- Snoqualmie Valley schools received Washington Achievement Awards for performing in the top 5% of schools for student achievement over a two-year span (3 schools in 2016, 4 in 2015, 3 in 2014, 3 in 2013, 2 in 2012, 4 in 2011, 4 in 2010, and 2 in 2009).
- Three SVSD schools earned School of Distinction Awards (2014, 2012 and 2010) for placing in the top 5% of schools in our state for significant improvement in student achievement over a five-year span.
- Mount Si High School Class of 2019 graduates were awarded scholarships totaling $11.5 million for academic achievement, athletic skills and community service.
- Mount Si Jazz Band has been selected among the top 15 high school bands in the nation to perform at the Essentially Ellington Jazz Competition in New York five times, 2014-2019.
- For 14 consecutive years, the Transportation department has earned outstanding safety inspections from the Washington State Patrol.
- The district’s Business Services department maintains a high Aa1 bond rating from Moody’s Investors Service.
Our Leader: Superintendent Robert Manahan, Ed.D, joined the Snoqualmie Valley School District in 2018 from the Peninsula School District. He has been serving children in public schools throughout Washington State for more than 31 years, in the roles of superintendent, principal and teacher. To learn more, follow him on Twitter: @svsdsupt.

Our Staff: Our district employs approximately 800 fulltime and part-time school staff members. In preparation for the start of the school year, nearly 450 staff members participate annually in hundreds of hours of professional development. Snoqualmie Valley School District was named a National Board Accomplished District for at least 20% of its teachers having achieved National Board Certification.

Our School Board: Geoff Doy, Gary Fancher, Melissa Johnson, Dan Popp, Carolyn Simpson

Our Future: • In February 2015, voters approved a school bond that set forth work to construct a 6th elementary school; rebuild, expand and modernize Mount Si High School; reinstate a third middle school; and initiate other school safety and improvement projects throughout the District. Since then, Timber Ridge Elementary School opened in 2016. Safety and security enhancements have been installed at all Snoqualmie Valley schools. Adding a new gymnasium at Snoqualmie Elementary School in 2017 was among several improvement projects across the district. In fall of 2019, the district transitioned from two to three middle schools, converting a Freshman Campus into Snoqualmie Middle School. This coincided with the opening of the new Mount Si High School, built for up to 2,300 students in grades 9-12. Phase 2 of MSHS construction continues as two baseball/softball fields are built for year-round use, and a new Performing Arts Center is constructed.

• SVSD uses state-of-the-art technology throughout its classrooms to help engage and empower students in their learning and prepare them for 21st Century careers. Classroom tools include: interactive touch-screen TVs, interactive whiteboards, and web-based curriculum. In 2018, the district expanded its computer science education from high school level to age-appropriate coding instruction for students in Kindergarten through 8th grade. This year, the district launched its One-to-One Computing Initiative, to ensure all students have equal access to technology resources and opportunities. Voter support of a Technology Levy is enabling our district to equip every student in grades 6-12 with a laptop computer to use at school and home.

• We believe great teaching is essential to successfully engaging students in learning. The district invests in quality professional development, instructional coaching support for educators, and collaboration opportunities to share best practices, as well as equipping classrooms with leading-edge technology tools.

Our Volunteers: Students and staff benefit from strong community support and generous parent involvement. Principals report over 30,000 hours of “recorded” volunteer time in and around their schools each year. There are many volunteer opportunities in our schools such as: reading buddies or tutors for an hour a week; after-school enrichment teachers; or coaches. Businesses offer internships or mentor students in their career aspirations. The Snoqualmie Valley Schools Foundation (www.svsfoundation.org) supports district-wide initiatives and innovation grants, while Parent Teacher Student Associations at every school raise funds for student activities, scholarships, and classroom resources. Snoqualmie Valley schools are better because of its caring community. If you would like to get involved, please contact your local school.

Our Communication: Visit the District Website (www.svsd410.org) to learn more about Snoqualmie Valley schools:
• Sign up for E-News to receive email updates from the district and/or specific schools.
• Check the E-Calendar for comprehensive school dates and activities.
• Visit E-Flyers throughout the year for family-friendly activities submitted by community partners.
• With Family Access, parents monitor their student’s grades, attendance, missing work, and lunch accounts.
• Join us on Facebook: www.facebook.com/svsd410 and Twitter: @SnoqValleySD
