

**Memorandum of Agreement  
Between  
Snoqualmie Valley Education Association  
And  
Snoqualmie Valley School District  
Regarding  
Middle School Class Size Relief**

The Snoqualmie Valley Education Association and the Snoqualmie Valley Education Association have agreed to modify Section 40.1 as listed below. The changes below shall be implemented beginning the 2019-2020 school year.

**Section 40.1 Middle School Class Size**

For middle school classes, each quarter:

- A. Teachers who have more than 145 students in 5 academic classes will receive 12 hours at the professional rate. (This does not include P.E. classes or music classes.)
- B. Teachers who have 30 or more students in any academic class will receive 3 hours of compensation for each class at or over 30 students.

Class size computations will be made on the last day of the third full week of each quarter. Overload compensation shall be retroactive to the beginning of the term.

For middle school classes, each semester:

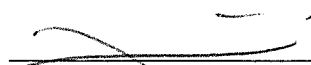

- A. Teachers who have more than 145 students in 5 academic classes will receive 24 hours at the professional rate. (This does not include P.E. classes or music classes.)
- B. Teachers who have 30 or more students in any academic class will receive 6 hours of compensation for each class at or over 30 students.

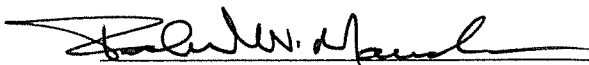

Class size computations will be made on the last day of the third full week of each semester. Overload compensation shall be retroactive to the beginning of the term.

The district continues to place a high priority on maintaining middle school classes that are instructionally sound and consider state class size funding. Any unresolved class size concerns (i.e. class size, class composition 504/IEP) will be brought to the attention of the Mutual Interest Committee. The Superintendent will make the final decision regarding staffing of District schools.
