#### Treatment of On-the-Job Injuries in WA State

#### Important Announcement -- New Law Effective January 1, 2013

Starting January 1, 2013, employees seeking medical attention for an on-the-job injury must seek care from physicians participating in the new Medical Provider Network.

The medical provider network is part of the historic 2011 workers' comp reforms designed to improve outcomes for injured workers and cut costs.

Anyone can check to see if their doctor is in the medical provider network by visiting [www.FindADoc.Lni.wa.gov](http://www.FindADoc.Lni.wa.gov), an online directory that is updated daily.

Workers can find more information at [www.NetworkInfo.Lni.wa.gov](http://www.NetworkInfo.Lni.wa.gov)
