The Snoqualmie Valley School District offers Full Day Kindergarten to all students. Half-day kindergarten is offered by request. Half-day students are placed in a full-day kindergarten classroom at their home school and go home midway through the day. A half day option is only provided in the am. Students do not participate in lunch or field trips that occur during the portion of that day that they are in attendance. Parents who opt to enroll their students in half-day versus full-day will undertake the responsibility of teaching and supplementing their child's academic and social-emotional experiences to best prepare him/her for their transition to 1<sup>st</sup> grade. Transportation will be provided to school only. It will be the responsibility of the parent to transport their child home following dismissal.

Please ONLY fill out this form if you are choosing the half day option for your student.

### Half-Day Kindergarten Option

I am interested in a Half-Day Kindergarten program for my student
