

Mount Si High School Online School  
Program Informational Slide Show

There are two providers that we contract with depending on your need. If you are taking your course at school or only one at home, Running Start or an AP course, you are taking your course with Pearson Connexus.

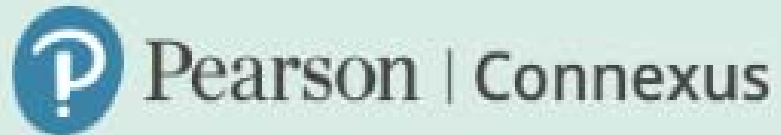

If you are taking more than one online course at home or Credit Recovery, you will be taking your course with Fueleducation. Both use only Washington State Highly Qualified teachers.

**fueleducation**<sup>®</sup>

 Pearson | Connexus

Our Online Learning Lab is located in the main campus library

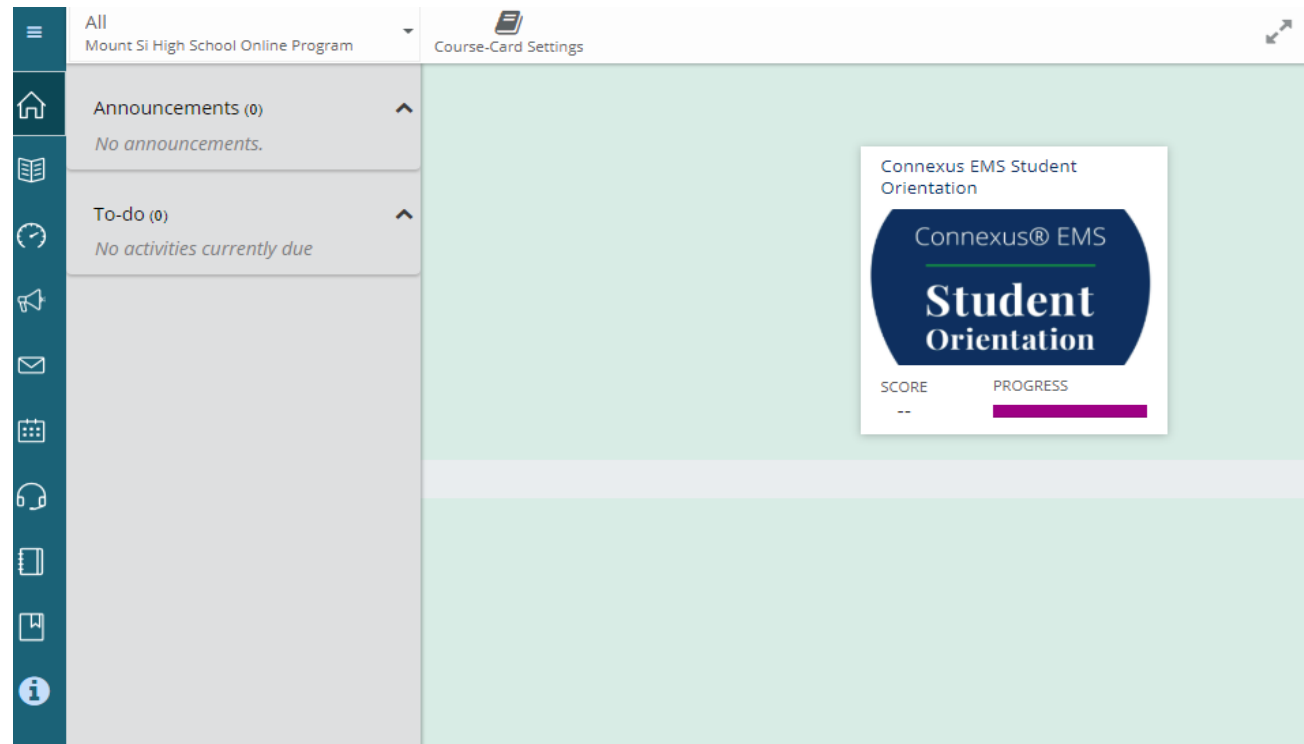

If you are enrolled in Pearson Connexus, Mrs. Weller will email you your log in and password.

Go to: [mtsihigh.ems.Connexus.com](https://mtsihigh.ems.Connexus.com)

Your log in should be your last name first initial and your password is your Mount Si 6 digit number (no zero) and capital first initial and lower case last initial. You will not have an account until you are enrolled.

This is what your home page will look like in Connexus. You just click on the icon to get started. You start with the orientation. Your actual course icon will be next to the orientation.

If you are enrolled in Fueleducation, they will email you your log in and password after you are enrolled. It may take up to a day- **check your junk mail** if you don't think you got it.

Go to [peak.getfueled.com](http://peak.getfueled.com). Log in from there.

If you don't get your log in, come see Mrs. Weller in case there is an error with your email address. Any problems, call Mrs. Weller at 425-831-4217

To sample a course in FuelEducation go to: <http://peak.getfueled.com>  
log in: depends on which subject you want to look at- just know that all courses are not offered at Mount Si. See next slide for directions.

Credit Recovery:

Student Logon: CRStudent1

For password see Mrs. Weller

Regular Course:

Student Logon : SummitStudent1

For password see Mrs. Weller

Electives:

Student Logon: ElectiveStudent1

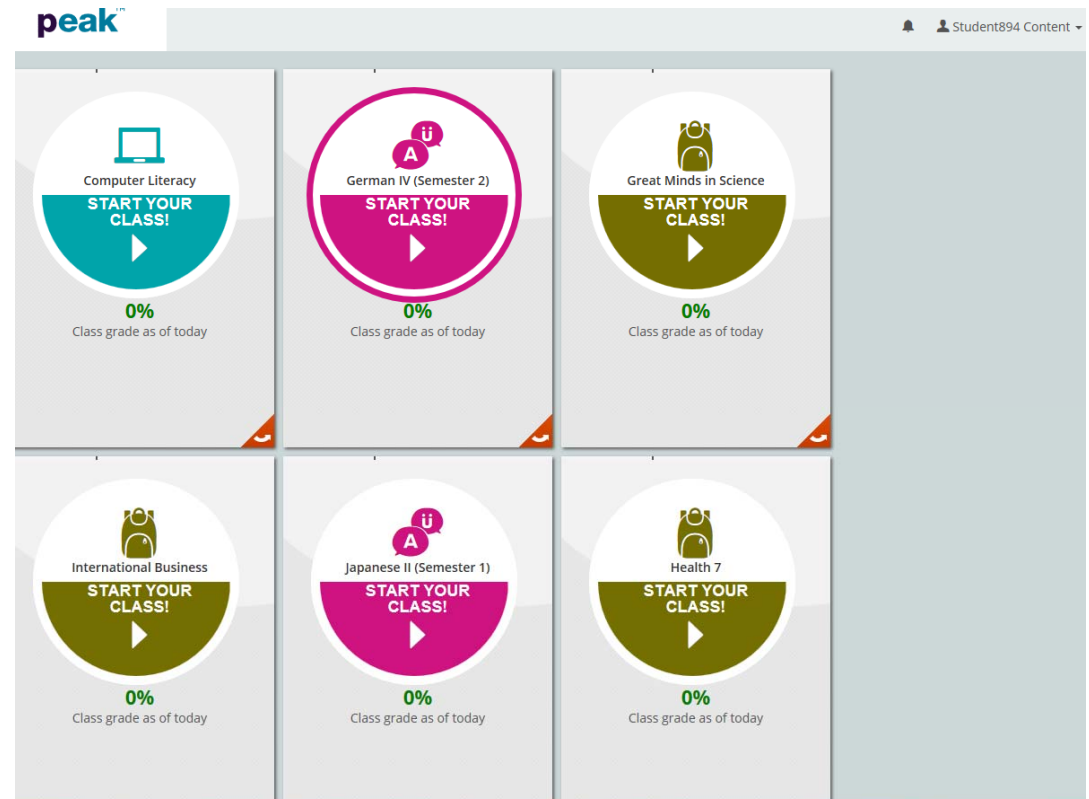

For password see Mrs. Weller

## Demo Course

Click on top right: fuel Education student demo  
Below is the screen shot of what it will look like: click on one course to preview it.  
Make sure you are ready to commit before signing up with your counselor.

Once enrolled , there are no refunds.

# Test Proctoring

You will take your  
midterm and final  
proctored here in the  
Online Learning Lab  
by Mrs. Weller or the  
librarians. They will give  
you the needed  
password.

# Time Commitment

You will need to spend at least one hour a day, 5 days a week in your course to be successful and make sufficient progress.

Progress should be about 7 % a week.

You may work on your course evenings, on the weekends, anywhere you have internet.

Welcome to the World of Online!

Your parents will have access to your course progress and time spent in your course once you are enrolled.

Your course will not show up on family access, and your final grade will go right to your transcript.

Please contact Mrs. Weller at 425-831-4217 or email her at [wellerb@svsd410.org](mailto:wellerb@svsd410.org) if you have questions or if we can help you in anyway.
