2. To sign-in:

Username: type
snoqualmie\username –
replace the word
username with your
desktop computer login .

Domain\user name: snoqualmie\lacroixf
Password:

Security
Warning: By logging in to this web page, you confirm that this computer complies with your organization's security policy.

Sign in

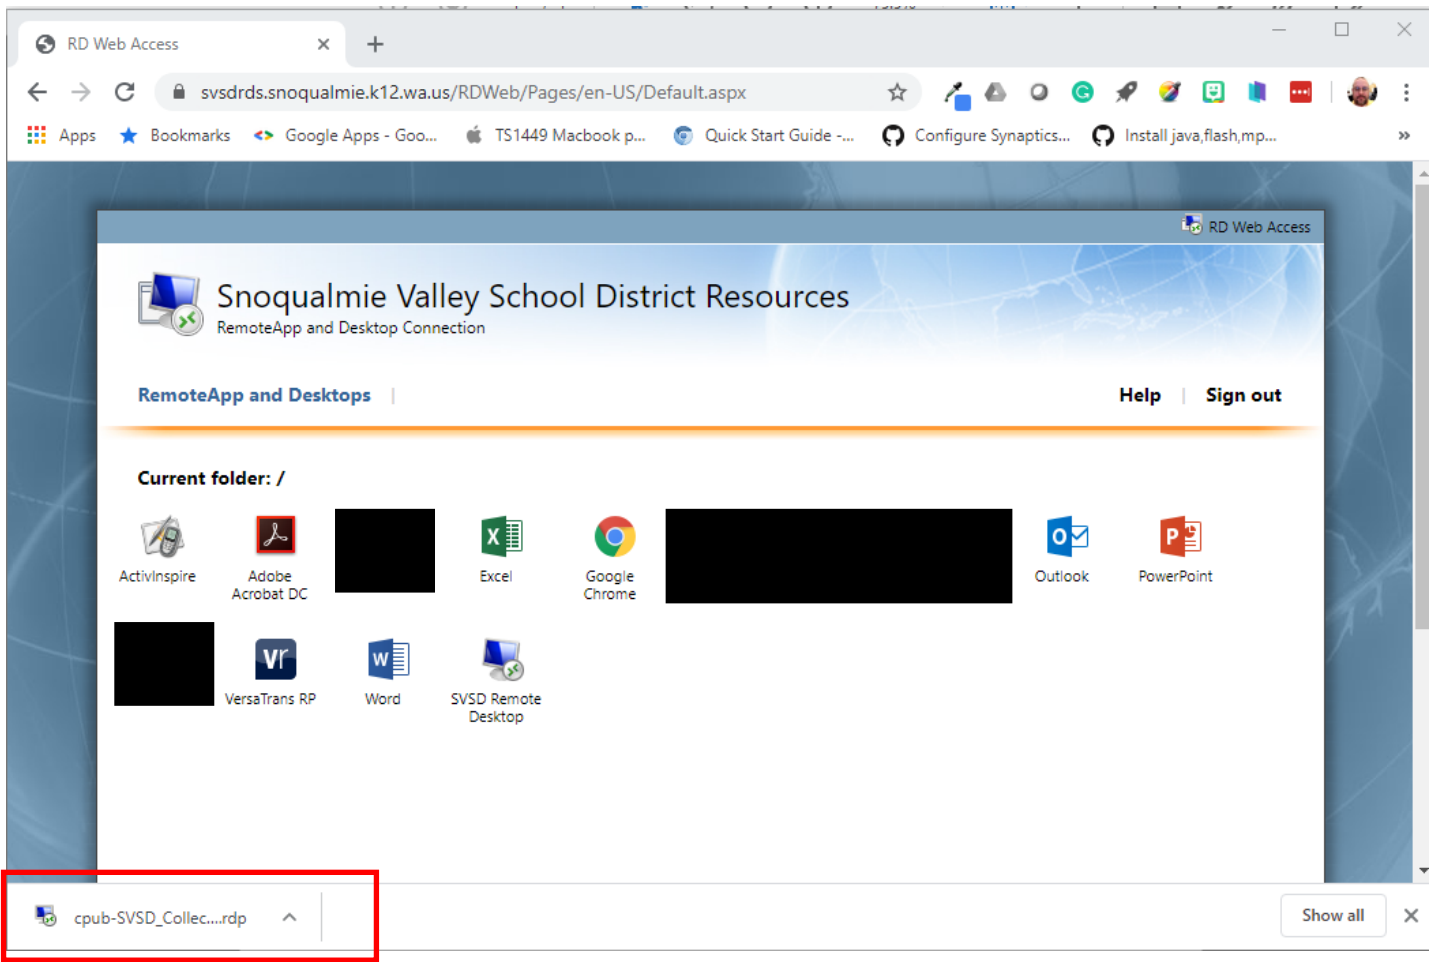

3. Select “SVSD Remote Desktop” to access a the full desktop experience.

RemoteApp and Desktops | Help | Sign out

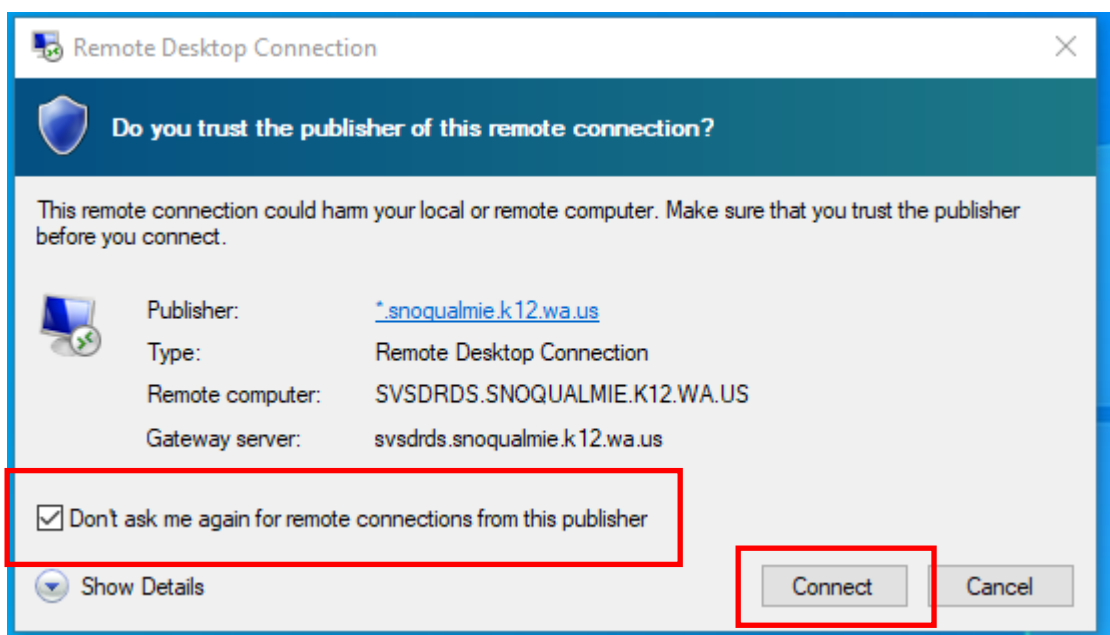

Current folder: /

ActivInspire Adobe Acrobat DC Excel Google Chrome Outlook PowerPoint VersaTrans RP Word SVSD Remote Desktop

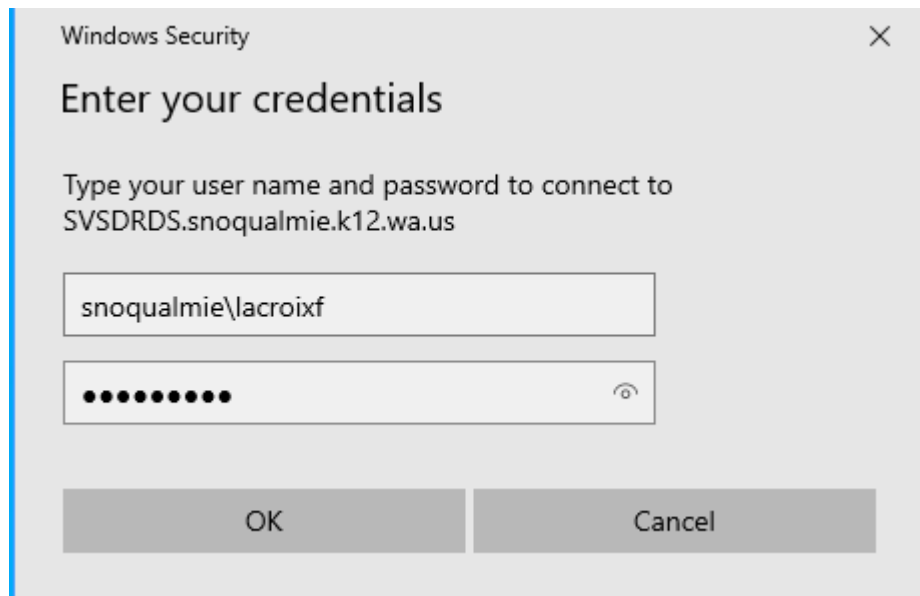

- All Apps and the Remote Desktop will download a RDP file that you will need to open. Windows has a built in remote desktop client. Please download the Microsoft Remote Desktop app for Mac, iOS, and Android from their respective stores. It is free.
- Once the file downloads, click to open it (Chrome example):

- Check the box and select the Connect button.

7. You receive a popup to log in again. Once you log in you will be connected

When you are done working, please sign out.
