August 20, 2019

Dear SES Families,

We are excited to welcome you to the 2019 school year! We hope you have spent the past months relaxing with your student. We are eager to see how much they have grown in the weeks since we last saw them and are eager to continue with their educational journey.

This summer, the district has been hard at work preparing our staff for the coming year. This September, your child will engage in a newly adopted math curriculum (Eureka Math), enjoy newly added playground equipment and have an updated start time. Beyond the “nuts and bolts” of what makes a school year is the promise of learning. I believe we have a great year ahead of us at SES and our teachers are prepared to help your child harness their growth mindset on this important journey.

The beginning of the school year is always a busy time, please note the list of important upcoming events that can be found below. I would like to highlight the first event. At 4pm on August 30th, teacher assignments will be available online through Family Access. Throughout the year additional school information can be found by following us on Facebook and subscribing to our E-News: <http://www.svsd410.org/Page/163>

We always encourage our parents and guardians to visit our building. Per district guidelines, we ask that you sign in at the computer in the main office and, if volunteering, we are required to conduct background checks on all volunteers. If you have filled this paperwork out more than 2 years ago, an updated reference check will need to be completed for this school year. Please contact our front office or download an application: <https://www.svsd410.org/Page/875>

Again, we want to welcome all of you to what we believe will be another wonderful year at Snoqualmie Elementary. If you have any questions, or need further information, please contact the school office at (425) 831-8050.

Go Cougars!
