

Local Scholarship / Going Merry Lesson

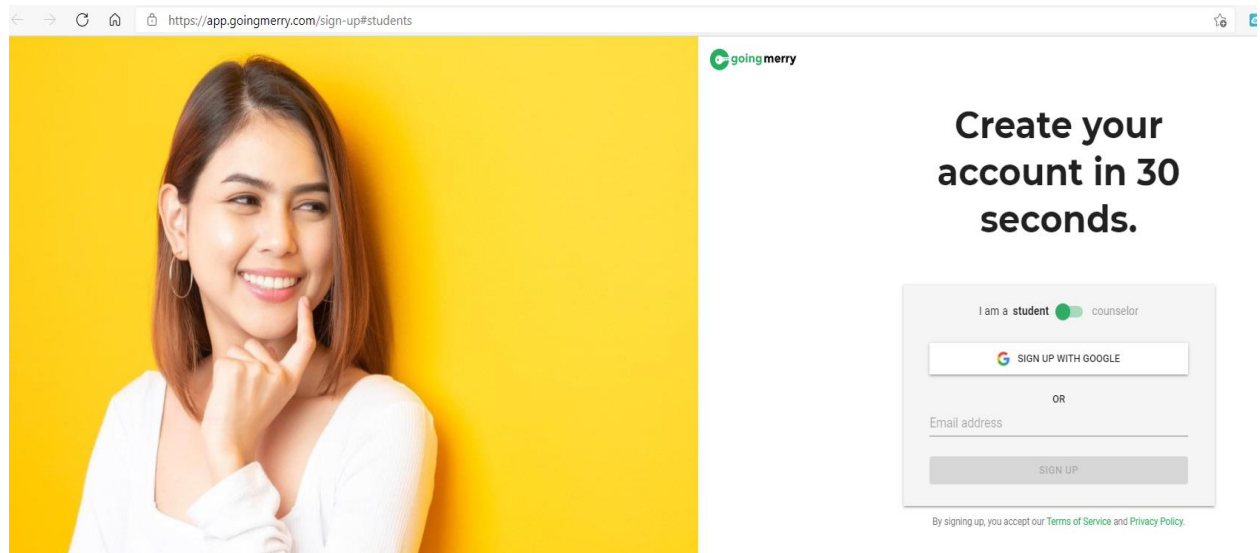

Our local scholarship program applications are being hosted on Going Merry this year so you can apply online from your computer or phone!

The Local Scholarship Program at Mount Si has a long history of local clubs, businesses and individuals donating funds and support to our senior classes. The great thing about local scholarships is that you are only competing with you MSHS peers!

A variety of scholarships are available to students who are planning to further their education by attending a vocational/technical school, a two-year college, or a four-year college. Make sure to check each scholarship's description and eligibility requirements since you're probably eligible to apply to many of them! In addition to academics, there are scholarships for students with strengths in community service, clubs, sports, and other areas.

The first step is to create an account: [Going Merry - Scholarship Applications Made Simple](#)

The screenshot shows a web browser window with the URL <https://app.goingmerry.com/sign-up#students>. The page features a large yellow background image of a smiling young woman on the left. On the right, the text reads "Create your account in 30 seconds." Below this is a sign-up form with a toggle switch for "I am a student" (checked) and "counselor". There is a "SIGN UP WITH GOOGLE" button, followed by "OR", an "Email address" input field, and a "SIGN UP" button. At the bottom, a small note states: "By signing up, you accept our [Terms of Service](#) and [Privacy Policy](#)."

Step by Step Guide to [View and Apply for Local Scholarships](#)

1. Create an account (hopefully you just did!).
2. Click Profile on the left side of the menu and complete it as best you can.
3. Click on Matched Scholarships on the left side menu to view what you are eligible for.
4. Click on the "Local Scholarships" filter in the top right to view only local scholarships.
