Academic Dishonesty

The most common forms of academic dishonesty are cheating and plagiarism. Cheating is behaving dishonestly in order to gain an advantage over others. Examples include, but are not limited to, looking at someone else's test paper or copying someone else's homework. Plagiarism is taking the ideas or writings of another and passing them off as your own. An example of plagiarism is copying and pasting internet articles without citations into a paper and turning the paper in as your own work. Students who plagiarize papers or projects, alter grades, lie, or otherwise cheat may suffer a reduction in grades, be required to redo the project, and/or face disciplinary action. Students who help other students cheat (by allowing them to copy their work) are also in violation of the rule.

Assemblies and Assembly Behavior

Assemblies are a regularly scheduled part of the curriculum to promote pride and school spirit, as well as to provide alternate educational and enrichment experiences for students. Assemblies provide one of the few opportunities in school to learn formal audience behavior. Regardless of the type of program, courtesy demands that students be respectful and appreciative of participants and performers.

- Show a positive attitude at all times.
- Sit in your assigned area.
- Give your full attention to the speaker.
- Respond appropriately to the program.
- Enter and exit in a safe and orderly way as directed.
- Display appropriate behavior during the Pledge of Allegiance.

Assessment Practices

It is the primary goal of Chief Kanim Middle School to provide each student with skills and knowledge necessary for academic success. To ensure the highest quality education, our teachers utilize a wide variety of instructional methods and assessment strategies. Parents and students are encouraged to familiarize themselves with each grade level and individual teacher's expectations, and their assessment practices. Check online grades and teacher websites regularly.

Athletic Probation

Students participating in school sports programs must maintain passing grades of 60% or higher in all classes to participate in games/matches/performances.

- Any player with one (1) failing class will be placed on probation by administration. Administration will submit a list to coaches of probation players and the classes they are failing. Player may be allowed to practice but no games/matches until that player brings to the coach a note or progress report showing a passing grade. During the probation period the player will not travel to away games with the team.
- **Players are responsible for making sure their grades are passing and checking with teachers for this information.**

A player with 2 or more failing classes will be suspended from the team. This means no practices and games/matches until the player has passing grades in all classes.

Grading players work

- Teachers will work with the player on a fair timeline to grade the work.
- Coaches agree that the work must meet a standard and quality set by the teacher.
- Work may be graded at a reduced percentage if late or not accepted if the quality is poor.
- **Players/coaches can not expect the work to be graded the day of the game/match.**

Attendance Policy

Regular school attendance is necessary for mastery of the educational program provided to students of the district. Laws of the State of Washington specify that parents have the primary responsibility for ensuring the attendance of their students at school. The law further states that students shall be regular and punctual in attendance. Please check the Snoqualmie Valley School District website for more information on the district's attendance policies.

In the event of unexcused absences the administration will:

- On 2nd unexcused absence, you receive a letter from the Principal.
- On the 5th unexcused absence in a month, or 10 in a school year, CKMS will file a truancy petition with the King County Juvenile Court (a copy will be sent to the parent/guardian).
- Truancy letters are mailed home for 2 days, 5 days, 7 days and 10 days.

Parent/Guardian's Responsibilities are to:

- Emphasize to your child that school attendance is a priority.
- **Report an absence by calling the school (425) 831-8226 by 8:00 AM.**

- If you did not call and report the absence before school begins, write and send an excuse with your returning student.
- Request all early dismissals in writing to the office. Students must turn them in at beginning of the day. This policy is to minimize class disruptions.
- Call the office if you need to pick up your student during the school day.
- Check teacher website or contact teachers directly by phone or e-mail about missed homework.

Conduct: Civility Policy, SVSD #4011

The Snoqualmie Valley School District Board of Directors encourages administrators, faculty, staff, students, volunteers, parents, and other community members to participate in maintaining a clear expectation of civil conduct and problem-solving throughout the school district. The Board does not condone uncivil conduct on school grounds, at school-sponsored activities, or online, whether by staff, students, parents, volunteers, or other District visitors. The basic purpose of this policy is three-fold:

- 1) To promote a work and learning environment that is safe, productive and nurturing for all staff and students, and to encourage the free flow of ideas without fear or intimidation
- 2) To provide our students with appropriate models for respectful problem-solving
- 3) To reduce the potential triggers for violent conduct, such as fear, anger, frustration and alienation—especially by making problem-solving procedures and alternatives to violence readily accessible to both youth and adults who need them.

The Snoqualmie Valley School District's civility policy can be found on the district website at <http://svsd410.org/districtinfo/>.

“Harassment, intimidation, or bullying” means any intentional written, electronic, verbal, or physical act that:

- Physically harms another student
- Damages another student's property
- Is so severe and persistent that it creates an intimidating or threatening educational environment,
- Substantially disrupts the orderly operation of the school

Harassment or bullying can take many forms, including: jokes, rumors, pranks, gestures, physical attacks, threats, or other written, oral, or physical actions. (RCW OA.36.080(3))

At Chief Kanim Middle School, our practice for handling harassment and bullying is for students to report to staff members if they are being bullied and/or harassed. We use teaching as a strategy for increasing student awareness about harassment. We attempt to work with students in a cooperative, problem-solving manner whenever possible. We may use mediation as a method to resolve conflicts between students, and teach students the social skill of assertiveness. Depending upon the specifics of the report, the following options may be considered: increased supervision, administrative warning, parent contact, official documentation, administrative discipline, and or referral to law enforcement.

Any person who insults or abuses a staff member anywhere on the school grounds while the staff member is carrying out his/her official duties shall be guilty of a misdemeanor. This crime has a fine of not less than \$10.00 or more than \$100.00 (RCW 28A.635.010).

Sexual Harassment is defined as “unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

- Submission to such conduct is made either explicitly or implicitly as a term or condition of a student's participation.
- Submission to or rejection of such conduct by an individual is used as the basis for the student's participation or decision affecting the student.
- Such conduct has the purpose or effect of unreasonably interfering with the student's school performance or creating an intimidating, hostile or offensive environment.

All schools and school districts are responsible for enforcing the state's Bullying law. The Snoqualmie Valley School District's bullying and sexual harassment policies can be found on the district website at <http://sharepoint.snoqualmie.k12.wa.us/policies/Series%203000/Forms/AllItems.aspx> The chart below lists some, though not all forms of bullying and sexual harassment. It is crucial that all instances of bullying and harassment are reported to school staff immediately.
